### APPEAL TO MEMBERS

The Company would like to appeal and encourage its members to hold their shares in dematerialized (Demat) form. Managing your investment in securities is simple and easy in Demat/ Electronic form and it has many advantages over managing it in physical form as there is no scope of loss, misplacement, theft or deterioration of securities in Demat mode. The detailed procedure of Dematerialization of shares is also given on the website of the Company under Investor Relations Section. The members may also get in touch with M/S.XL Softech Systems Ltd at xlfield@rediffmail.com, our Registrar and Share transfer Agent. The Company also appeals and requests the members to opt for Electronic Clearing System (ECS) facility for receiving of Dividends.

### **Discussion on Financial Performance:**

During the year under consideration, the Company's has generated profit of Rs.117.25 Lakhs before finance costs and depreciation as against a profit of Rs.129.96 Lakhs during the previous year, which includes lease income and lease income is the major source of revenue to the Company. Your Directors are trying every opportunity for improving the performance with increased revenue in the next year.

### **Business Review**

The Company has been focusing on Lease income and as per demand, a new factory shed at our Aurangabad premises is constructed which also improved the revenues for part of the year to the company. The company also started during this year Bottling at our Palei plant for one of the parallel marketers which also improved the revenues.

### Liquefied Petroleum Gas (LPG) Industry Overview

## INDEPENDENT AUDITOR'S REPORT

### To the members of **KABSONS INDUSTIRES LIMITED**, Hyderabad

### **Report on the Financial Statements:**

### **Qualified Opinion :**

We have audited the accompanying financial statements of **THE KABSONS INDUSTRIES LIMITED**("the company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report, the accompanying financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for qualified opinion:

The Company has not adopted and complied with the requirements of Ind AS-19 'Employee Benefits' in respect of the Gratuity liability which constitute a departure from the Accounting standards mentioned in the Companies (Indian Accounting Standards) Rules 2015 referred in section 133 of the Act. In view of this the liability of the company in this regard could not be ascertained. Consequently, we are unable to comment about the impact of the same on the profit for the year, income tax and shareholder's funds.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditors responsibility for the Audit of Financial Statements* section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficientand appropriate to provide a basis for our audit opinion on the financial statements.

#### **Emphasis of matter**

We draw attention to Note 33.2 in the financial statements which states that the Company has not provided for the interest expense amounting to Rs.6,13,849/-for the year and Rs 1,09,55,419 for earlier years against the Trade Deposits received from the Dealers/ Distributors. Consequently, the same has resulted in overstatement of profit for the year by Rs.6,13,849/-overstatement of the balance in the retained earnings, in other equity, by Rs. Rs. 1,15,69,269/- and understatement of Current Liabilities by Rs.1,15,69,629/-.

#### **Key Audit Matters**

Key Audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### **Deferred Tax Assets**

#### Key Audit matter description:

The Company has not recognised deferred tax asset for deductible temporary differences and unused tax losses. As, the utilization of deferred tax assets is dependent on the company's ability to generate future taxable profits sufficient to utilize deductible temporary differences and tax losses before they expire. We determined this to be a key audit matter due to inherent limitations in estimation and uncertainty in forecasting the amount and timing of future taxable profits and the reversal of temporary differences and utilization of tax losses.

Management has supported the non -utilization of the deferred tax assets mainly with taxable income projections which contain estimates of and tax strategies for future taxable income. Changes in the industrial scenario, the business and its markets and changes in regulations may impact these projections.

### **Our Response**

Our audit procedures include, among others, evaluating the future estimated business projections and projected tax computations prepared by the company to assess the recognition and measurement of the current tax and deferred tax assets and liabilities and evaluate the compliance with tax legislation. We paid attention to Long-term Forecasts and critically assessed the assumptions and judgements underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. We assessed the adequacy and the level of estimation involved.

#### Report on Other information other than Financial statements

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

### Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit
  procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by
  management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

 As required by the Companies (Auditor's Report) Order,2016("the Order") issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the *Annexure "A"*, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

### ANNEXURE-'B' TO THE INDEPENDENT AUDITORS' REPORT

#### Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

TheAnnexurereferred to in Paragraph2(f) under the heading "Report on other Legal and Regulatory Requirements" of our report of even date, to the members of **KABSONS INDUSTRIES LIMITED** for the year ended 31st March2019

We have audited the internal financial controls with reference to financial statements of **KABSONS INDUSTIRES LIMITED**("theCompany") asof31stMarch 2019 in conjunction with our audit of theInd AS financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of fits assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting(the "GuidanceNote") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10)oftheCompaniesAct,2013,totheextentapplicableto an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that(1)pertaintothemaintenanceofrecordsthat, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become in adequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements wereoperatingeffectivelyasat31stMarch2018,basedonthe internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India.

### **CORPORATE INFORMATION**

Kabsons Industries Limited (the 'company') is a public limited company domiciled and incorporated in India under the Companies Act, 1956 in the year 1993. The registered office of the company is located at 8-3-1087. Plot No 48, Srinagar Colony, Hyderabad, Telangana - 500073.

The company is engaged in the business of bottling and selling of LP Gas under the brand name "KABSONS".

These financial statements are approved by the Board of Directors on 30th May, 2019.

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### Statement of compliance

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act.

#### 1.1. Basis of Preparation and Measurement:

The financial statements have been prepared on a historical cost basis, except for financial instruments which have been measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

#### Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during thereporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

### 1.2. Current Vs Non-current classifications:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or noncurrent classification of assets and liabilities.

#### 1.3.1 Property, Plant and Equipment:

#### Measurement at recognition

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment other than land are carried at their cost less accumulated depreciation and accumulated impairment losses. Freehold land is carried at cost of acquisition.

The cost of an item of property, plant and equipment comprises the purchase price and any cost attributable to bring the asset to its location and working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to put to use.

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that
future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Costs in nature of
repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

### <u>Capital Work in Progress</u>

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

### Depreciation and amortization methods

- a) Depreciation is provided on Straight Line Method on the assets over the useful lives specified in Schedule II to the Companies Act, 2013.
- b) Depreciation on additions is being provided on pro rata basis from the date of such additions. Depreciation on assets sold, discarded or demolished during the year is being provided up to the date on which such assets are sold, discarded or demolished.

### Impairment

- a) Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).
- b) Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset are no longer existing or have decreased.

#### Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

#### • 1.3.2 Intangible Assets:

#### Computer Software

Computer software is measured on initial recognition at cost. Following initial recognition, software is carried at its cost less accumulated amortization and accumulated impairment losses.

#### Amortization Methods

The carrying amount of computer software is amortized over the useful life.

#### Impairment

a)Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use.

b) Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset are no longer existing or have decreased.

#### **Derecognition**

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

#### 1.3.3 Inventories

Stock-in-tradeis valued at the lower of cost or net realizable value.

Stores and packing material are valued at cost except where net realizable value of the finished goods they are used in, is less than the cost of finished goods and in such an event, if the replacement cost of such materials is less than their book values, they are valued at replacement cost.

Scrap is valued at Net realizable value.

The cost is computed on FIFO Method.

Cost of Stock-in-trade, stores and packing material comprises cost of purchases and includes all other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, stand-by equipment and servicing equipment are recognized in accordance with this Ind AS-16 when they meet the definition of Property, Plant and Equipment. Otherwise, such items are classified as inventory.

#### 1.3.4 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **Financial Assets**

### • Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

#### Subsequent measurement:

For subsequent measurement, the Company classifies its financial assets into the following categories:

- (i) Amortized cost
- (ii) Fair value through profit and loss (FVTPL)

(iii) Fair value through other comprehensive income(FVOCI).

#### a) Financial Asset measured at amortized cost

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss.

The company while applying above criteria has classified all the financial assets (except investments in mutual funds) at amortized cost.

#### b) Financial Asset measured at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

The company while applying above criteria has identified that there are no financial assets that can be classified at fair value through other comprehensive income

### c) Financial Asset measured at fair value through profit and loss (FVTPL)

Financial Assets are measured at fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss. Investments in Mutual funds are classified as financial assets measured at FVTPL.

### Impairment

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates.

Expected credit loss allowance or reversal recognized during the period is recognized as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

#### · Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

### **Financial Liabilities**

#### Initial Recognition and Measurement

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

### Subsequent Measurement

#### a. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading are recognized in the profit or loss. The Company doesn't designate any financial liability at fair value through profit or loss.

### b. Financial liabilities at amortized cost

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

### Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

### 1.3.5 Revenue

Revenue is measured at the fair value of consideration received or receivable and is recognized to the extent that it is probable that the economic benefits will flow to the Company.

#### Sale of goods:

Revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes.

#### Interest / Dividend

Interest Income is recognized using the Effective interest rate (EIR) method. Dividend income is recognized when right to receive is established.

### 1.3.6 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. In respect of assets taken on operating lease, lease rentals are recognized as an expense in the Statement of Profit and Loss on straight line basis.

### 1.3.7 Prior period items

In case prior period adjustments are material in nature, the Company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". Immaterial items pertaining to prior periods are shown under respective items in the Statement of Profit and Loss.

### 1.3.8 Cash and cash equivalents

Cash and cash equivalents include cash on hand and at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for meeting short-term cash commitments.

For the Statement of Cash Flows, cash and cash equivalents consists of short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management.

#### 1.3.9 Income taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

**Current tax** is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/expenses and penalties, if any, related to income tax are included in current tax expense.

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes using tax rates enacted, or substantively enacted, by the end of the reporting period. Provisions and contingent liabilities

Provisions are recognized when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting issued, the increase in the provisions due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

### 1.3.11 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

### 1.3.12 Foreign Currency transactions

### Functional and Reporting Currency:

The Company's functional and reporting currency is Indian National Rupee.

Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amounts the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

### Conversion on reporting date:

Foreign currency monetary items are reported using the closing rate. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### • Exchange Differences:

Exchange difference arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

### 1.3.13 Employee Benefits

#### • Defined Contribution Plan

Employer's contribution to Provident Fund/Employee State Insurance which is in the nature of defined contribution scheme is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

#### • Defined Benefit Plan

### a. Gratuity

Gratuity liability is in the nature of defined benefit obligation. Such liability is provided only for employees who have completed 5 years of continuous service as per the provisions of the Payment of Gratuity Act, 1972.

#### b. Compensated absences

Compensated absences which are in the nature of defined benefit obligation are provided for based on number of leaves outstanding as on balance sheet date according to the policy of the company.

### 1.3.14 Dividends

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognized on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognized directly in equity.

**33.2.** In view of the Company's adverse financial position, interest payable to various distributors and dealers on their deposits would be negotiated with them for waiver. Hence, no provision is made for interest for the current year amounting to Rs.6,13,849/- (Previous year: Rs.6,13,849/-) and interest for earlier years amounting to Rs.1,09,55,419/. Had the interest provision been made, the profit for the current year would have been less by Rs.6,13,849/- and current liabilities would have been more by Rs.1,15,69,269/-

**33.3.** Consumers cylinder subscription deposits collected over a period of time amounting to Rs.7,14,743 is written back, as the cylinders are not returned for a long time. Out of this an amount of Rs.3,31,337 is adjusted against the Cylinder deposits paid by the Company. Net amount of Rs.3,83,406 is shown as Exceptional item.

#### 33.4. Disclosures in accordance with Companies (India Accounting Standards) Rules, 2015 notified by the Central Government:

#### 33.4.1. Capital Management

The company's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the company. The company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other long-term/short term borrowings.

The company's policy is aimed at combination of short term and long-term borrowings. The company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the company.
