Notes:

- An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, ('the Act') relating to the Special Business to be transacted at the Annual General Meeting ('AGM') is annexed hereto. The Board of Directors have considered and decided to include the Item No.3 given above as Special Business in the forthcoming AGM, as it is unavoidable in nature.
- As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of 2 the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020
- Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with 3. Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- 4. Pursuant to the provisions of the Act, normally, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf who may or may not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Further as per the MCA Circulars, the facility for appointment of proxies by the Members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice.
- 5. The relevant details required to be given under Regulation 26(4) and 36(3) of the Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect
- of directors seeking appointment/ re-appointment at this AGM are given in the Annexure-2. In accordance with, the General Circular No. 20/2020 dated 5th May, 2020 issued by MCA and Circular No. SEBI/HO/CFD/ CMD1/CIR/P/2020/79 dated 12th May, 2020 issued by SEBI, owing to the difficulties involved 6 in dispatching of physical copies of the financial statements (including Report of Board of Directors, Auditor's report or other documents required to be attached therewith), such statements including the Notice of AGM are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s).

- The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- 8 The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of
- ascertaining the quorum under Section 103 of the Companies Act, 2013. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of 9. the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- 10. Voting during the AGM: Members who are present at the e-AGM through VC and have not cast their vote on resolutions through remote e-voting, may cast their vote during the e-AGM through the e-voting system provided by CDSL in the Video Conferencing platform during the e-AGM. Kindly refer below for instruction for e-voting during the AGM.
- 11. The Company has fixed 18th September 2020 as the cut-off date for identifying the Members who shall be eligible to vote through remote e-voting facility or for participation and voting in the e-AGM. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date shall be entitled to vote on the resolutions through the facility of Remote e-Voting or participate and vote in the e-AGM
- 12. The Register of Members and Transfer Book of the Company will be closed from 22nd September 2020 to 30th September 2020 (both days inclusive). 13. In compliance with the aforesaid MCA Circulars and SEBI Circular dated 12th May 2020, Notice of the e-AGM
- along with the Annual Report for the financial year ended on 31st March 2020 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. The Notice calling the AGM and the Annual Report has been uploaded on the website of the Company at www.kabsonsindustrieslimited.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency
- for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
 The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- The requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting is done away with vide Notification dated May 7, 2018 issued by the Ministry of Corporate Affairs, New Delhi. Accordingly, no resolution is proposed for ratification of appointment of Auditors, who were appointed in the Annual General Meeting, held on 29th September, 2017, for a period of 5 years. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account 15.
- Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the Registrar. SEBI has also mandated, that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company. 17. Pursuant to the provisions of Section 72 of the Companies Act, 2013, the member(s) holding shares in
- physical form may nominate, in the prescribed manner, a person to whom all the rights in the shares shall vest in the event of death of the sole holder or all the joint holders. Member(s) holding shares in demat form may contact their respective Depository Participant for availing this facility.
- 18. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to operationslpg@gmail.com.
- 19. Members whose shareholding is in electronic mode are requested to update the change of address, email IDs and change in Bank Account details, if any with the respective Depository Participant(s). 20. With a view to using natural resources responsibly, we request the shareholders to update respective email
- addresses with your Depository Participants, if not already done, to enable the Company to send communications electronically.
- . Members may also note that the Notice of the 28th Annual General Meeting and the Annual Report 2019-21 2020 is available on the Company's Website, www.kabsonsindustrieslimited.com
- 22. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from, 01st April 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form. Members can contact the Company or Company's Registrars and Transfer Agents, XL softech Limited for assistance in this regard.

- 23. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes. 24. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the e- AGM. 25. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 28th AGM and facility for those Members participating in the AGM to cast vote through e-Voting system during the AGM. BOARD'S REPORT

The Members of KABSONS INDUSTRIES LIMITED,

Your Directors have pleasure in presenting the 28th Annual Report of the Company together with the Audited Financial Statements for the year ended 31st March, 2020.

FINANCIAL RESULTS: (Rs.in Lakhs) Financial Year **Financial Year** 2019-2020 2018-2019 Revenue from operations 852.03 1022.53 Other Income 43.24 40.22 Total Revenue 1062.75 895.27 **Total Expenses** 818.78 983.10 Profit before Finance Cost, Depreciation & exceptional items 154.40 127.00 **Finance Cost** 12.78 6.98 20.87 Depreciation 30.21 Exceptional items 17.46 9.75 Profit/ (Loss) before Tax 93.95 89.40 Tax Expenses (Earlier year Tax Paid) 0.32 0.08 Profit after Tax 93.63 89.32 Basic & Diluted Earnings per share of Rs.10/- each 0.54 0.51

DISCUSSION ON FINANCIAL PERFORMANCE:

During the year under consideration, the Company's has generated profit of Rs.154.40 Lacs before finance costs, depreciation and exceptional items as against a profit of Rs.127.00 Lacs during the previous year, which includes lease income and lease income is the major source of revenue to the Company. Your Directors are trying every opportunity for improving the performance with increased revenue in the next year.

BUSINESS REVIEW

The Company has been focusing on Lease income and as per demand, the Company has already expanded the facility for Leasing and Licence by constructing a new factory building at one location for third party use and getting revenues from the same. All the bottling plants are operational during the year under consideration except two locations where third party has discontinued the leasing arrangement from March 2020 onwards. **LIQUEFIED PETROLEUM GAS (LPG) INDUSTRY OVERVIEW**

Most of the LPG volume is handled by PSU's for domestic supplies. The central government may soon allow private companies to sell subsidized LPG in India, a move which could potentially break the monopoly of the state-owned oil marketing companies in the domestic cooking gas segment. The Ministry of Petroleum and Natural Gas has setup a five member committee to review the existing frame work of LPG marketing in India and identify the grey areas that might allow private entities to sell subsidized cooking gas.

OUT LOOK:

All the Plants of our Company continue to be operational either by our own or third-party bottling or on leasing out except two locations. However in view of COVID-19 Pendamic, the revenues of the Company are partially affected. Company will put all efforts to improve the revenues in the coming year.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not adopted and complied with the requirements of Ind AS-19 'Employee Benefits' in respect of the Gratuity liability which constitute a departure from the Accounting standards mentioned in the Companies (Indian Accounting Standards) Rules 2015 referred in section 133 of the Act. In view of this the liability of the company in this regard could not be ascertained. Consequently, we are unable to comment about the impact of the same on the profit for the year, income tax and shareholder's funds.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditors responsibility for the Audit of Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements. **Emphasis of matter**

We draw attention to Note 34.1 in the financial statements which states that the Company has not provided for the interest expense amounting to Rs.6.12,049/- for the year and Rs1,15,69,268 for earlier years against the Trade Deposits received from the Dealers/ Distributors. Consequently, the same has resulted in overstatement of profit for the year by Rs.6,12,049/- overstatement of the balance in the retained earnings, in other equity, by Rs 1,21,81,317 and understatement of Current Liabilities by Rs. 1,21,81,317

Key Audit Matters

Key Audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Deferred Tax Assets

Key Audit matter description:

The Company has not recognised deferred tax asset for deductible temporary differences and unused tax losses since the utilization of deferred tax assets is dependent on the company's ability to generate future taxable profits sufficient to utilize deductible temporary differences and tax losses before they expire. We determined this to be a key audit matter due to inherent limitations in estimation and uncertainty in forecasting the amount and timing of future taxable profits and the reversal of temporary differences and utilization of tax losses. Management has supported the non -utilization of the deferred tax assets mainly with taxable income projections which contain estimates of and tax strategies for future taxable income. Changes in the industrial scenario, the business and its markets and changes in regulations may impact these projections.

Our Response

Our audit procedures include, among others, evaluating the future estimated business projections and projected tax computations prepared by the company to assess the recognition and measurement of the current tax and deferred tax assets and liabilities and evaluate the compliance with tax legislation. We paid attention to Long term Forecasts and critically assessed the assumptions and judgements underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. We assessed the adequacy and the level of estimation involved.

Report on Other information other than Financial statements

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

• evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order,2016("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE - 'B' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause

(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") The Annexure referred to in Paragraph 2(f) under the heading "Report on other Legal and Regulatory Requirements" of our report of even date, to the members of KABSONS INDUSTRIES LIMITED for the year ended 31st March 2020.

We have audited the internal financial controls with reference to financial statements of **KABSONS INDUSTRIES LIMITED** ("the Company") as of 31st March 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over financial reporting" issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements **Meaning of Internal Financial Controls with reference to financial statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act.

1.1. Basis of Preparation and Measurement:

The financial statements have been prepared on a historical cost basis, except for financial instruments which have been measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.2. Current Vs Non-current classifications:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the General Instructions for preparation of Balance Sheet in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

1.3.1 Property, Plant and Equipment:

Measurement at recognition

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment other than land are carried at their cost less accumulated depreciation and accumulated impairment losses.Freehold land is carried at cost of acquisition.

The cost of an item of property, plant and equipment comprises the purchase price and any cost attributable to bring the asset to its location and working condition for its intended use.Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to put to use. Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

• Capital Work in Progress

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

KABSONS

• Depreciation and amortization methods

- a) Depreciation is provided on Straight Line Method on the assets over the useful lives specified in Schedule II to the Companies Act, 2013.
- **b**)Depreciation on additions is being provided on pro rata basis from the date of such additions.Depreciation on assets sold, discarded or demolished during the year is being provided up to the date on which such assets are sold, discarded or demolished.

<u>Impairment</u>

- a) Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).
- b)Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset are no longer existing or have decreased.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

1.3.2 Intangible Assets:

<u>Computer Software</u>

Computer software is measured on initial recognition at cost. Following initial recognition, software is carried at its cost less accumulated amortization and accumulated impairment losses.

• Amortization Methods

The carrying amount of computer software is amortized over the useful life.

Impairment

a) Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use.

b)Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset are no longer existing or have decreased.

Derecognition

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

1.3.3. Investment Property :

Measurement at recognition and subsequent measurement:

• Investment properties are initially measured at cost, including transaction costs.Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Derecognition:

• Investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefits is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit and loss in the period of derecognition.

1.3.4 Inventories

Stock-in-trade is valued at the lower of cost or net realizable value.

Stores and packing material are valued at cost except where net realizable value of the finished goods they are used in, is less than the cost of finished goods and in such an event, if the replacement cost of such materials is less than their book values, they are valued at replacement cost. Scrap is valued at Net realizable value. The cost is computed on FIFO method.

Cost of Stock-in-trade, stores and packing material comprises cost of purchases and includes all other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, stand-by equipment and servicing equipment are recognized in accordance with this IndAS-16 when they meet the definition of Property, Plant and Equipment. Otherwise, such items are classified as inventory.

1.3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

• Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

Subsequent measurement:

For subsequent measurement, the Company classifies its financial assets into the following categories:

- (i) Amortized cost
- (ii) Fair value through profit and loss (FVTPL)
- (iii) Fair value through other comprehensive income(FVTOCI).

a) Financial Asset measured at amortized cost

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss.

The company while applying above criteria has classified all the financial assets (except investments in mutual funds) at amortized cost.

b)Financial Asset measured at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

The company while applying above criteria has identified that there are no financial assets that can be classified at fair value through other comprehensive income

c) Financial Asset measured at fair value through profit and loss (FVTPL)

Financial Assets are measured at fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

Investments in Mutual funds are classified as financial assets measured at FVTPL.

Impairment

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive. The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrices based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates. Expected credit loss allowance or reversal recognized during the period is recognized as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset. **Financial Liabilities**

Initial Recognition and Measurement

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent Measurement

a. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading are recognized in the profit or loss. The Company doesn't designate any financial liability at fair value through profit or loss.

Z

b. Financial liabilities at amortized cost

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

1.3.6 Revenue

Revenue is measured at the fair value of consideration received or receivable and is recognized to the extent that it is probable that the economic benefits will flow to the Company.

• Sale of goods:

Revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer. Amounts disclosed as revenue are net of returns, trade allowances, rebates, GST. Interest / Dividend

Interest Income is recognized using the Effective interest rate (EIR) method. Dividend income is recognized when right to receive is established.

1.3.7 Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, If it involves the use of an Identified asset and the Company has substantially derived all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

1.3.8 Prior period items

In case prior period adjustments are material in nature, the Company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". Immaterial items pertaining to prior periods are shown under respective items in the Statement of Profit and Loss.

1.3.9 Cash and cash equivalents

Cash and cash equivalents include cash on hand and at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for meeting short-term cash commitments.

For the Statement of Cash Flows, cash and cash equivalents consists of short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management.

1.3.10 Income taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest expense if any, related to income tax are included in current tax expense.

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes using tax rates enacted, or substantively enacted, by the end of the reporting period.

KABSONS

1.3.11 Provisions and contingent liabilities

Provisions are recognized when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate,the risks specific to the liability. When discounting is used, the increase in the provisions due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.3.12 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares of all dilutive potential ordinary shares, which includes all stock options granted to employees.

1.3.13 Foreign Currency transactions

• Functional and Reporting Currency:

The Company's functional and reporting currency is Indian National Rupee.

Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amounts the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

• Conversion on reporting date:

Foreign currency monetary items are reported using the closing rate. Non-monetary items that are measured in terms of historical costing a foreign currency is translated using the exchange rates at the dates of the initial transactions.

• Exchange Differences:

Exchange difference arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

1.3.14 Employee Benefits • Defined Contribution Plan

Employer's contribution to Provident Fund/Employee State Insurance which is in the nature of defined contribution scheme is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

• Defined Benefit Plan

a. Gratuity

Gratuity liability is in the nature of defined benefit obligation. Such liability is provided only for employees who have completed 5 years of continuous service as per the provisions of the Payment of Gratuity Act, 1972.

b.Compensated absences

Compensated absences which are in the nature of defined benefit obligation are provided for based on number of leaves outstanding as on balance sheet date according to the policy of the company.

1.3.15 Dividends

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognized on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognized directly in equity.

b. Fair value Hierarchy:

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into level 1 to level 3 as described below.

As at 31 st March 2020	Level 1	Level 2	Level 3	Total
Financial Assets :				
-Investments in Mutual Funds	76,68,840	-	-	76,68,840
As at 31 st March 2019	Level 1	Level 2	Level 3	Total
Financial Assets :				
-Investments in Mutual Funds	99,07,306	-	-	99,07,306

Level 1 - Quoted prices in an active market:

This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of mutual fund investments.

Level 2 - Valuation techniques with observable inputs:

This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e.,derived from prices). There are no Financial Instruments to be classified under this categeory.

Level 3 - Valuation techniques with significant unobservable inputs:

This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. There are no Financial Instruments to be classified under this categeory.

Financial Risk Management Objectives and Policies 34.3.7

The company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include interest rate risk, foreign currency risk, market risk, credit risk and liquidity risk. The company has a risk management policy which not only covers the foreign exchange risks, but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management framework aims to:

1. Create a stable business planning environment by reducing the impact of currency and interest rate fluctuations on the company's business plan.

2. Achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

The following sections provide the details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives policies and processes for the management of these risks.

(i) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk currency rate risk, interest rate risk and other price risks such as equity risk. Financial instruments affected by market risk include deposits and mutual funds.

a. Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. Since the Company has no interest-bearing debts, exposure to interest rate risk is minimal.

b. Foreign Currency Risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies.

The Company has no transactional currency exposures arising from goods supplied or received that are denominated in a currency other than the functional currency. Hence exposure to foreign currency risk is Nil.

c. Other price risk

Other price risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

The Company is exposed to price risk arising mainly from investments in Mutual Funds recognized at FVTPL.

Sensitivity analysis of 1% change in price of security as on reporting date

Particulars	Impact on Profit & Loss		Impact on OCI	
	2019-20	2018-19	2019-20	2018-19
Mutual Fund (1% change in price)	76,688	99,073	Nil	Nil
Total	76,688	99,073	Nil	Nil

(ii) Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises from its operation activity primarily from trade receivable and from its financial activity. Customer credit risk is controlled by analysis of credit limit and credit worthiness of the customer on a continuous basis to whom the credit has been granted.

Long outstanding receivable from customer are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of trade and other receivable.

(iii) Liquidity Risk:

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The company ensures that it has sufficient cash on demand to meet expected operational demands including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:
